Regular meeting of the City Council of the City of Virginia, Minnesota, was called to order by Acting Mayor Cuffe at 6:30 P.M. in the Council Chambers, City Hall.

Present: Councillors Littlewolf, Ralston, Baribeau, Sipola, Russo, Acting Mayor Cuffe - 6
Absent: None

Acting Mayor Cuffe led the Pledge of Allegiance.

Moved by Russo and supported by Baribeau to approve the Consent Agenda, as follows:

1. Approval/correction of minutes of Regular Meeting held October 23, 2012.
2. Adoption of Finance Resolution No. 12-021 – Schedule of Bills.
3. Adopt Resolution No. 12198, authorizing special assessments against properties for delinquent blight invoices.
4. Adopt Resolution No. 12199, authorizing special assessments against properties for delinquent public utilities.
5. Adopt Resolution No. 12200, approving Premises Permit Application for the AMVETS Post 12 at The Mirage, 509 Chestnut Street.

Motion carried and Resolutions adopted unanimously.

Paul Steinman, Springsted, stated three competitive bids were received for the General Obligation Government Housing Refunding Bonds, Series 2012B. Mr. Steinman stated the best bid was received from Northland Securities, with a true interest rate of 1.6552 percent. The City will save a total of $559,000 by refunding the bonds, or $50,000 annually in reduced principal and interest payments.
Mr. Steinman reviewed the credit rating by Moody’s Investors Service, which downgraded the City from an A1 rating to an A2 rating, with a negative outlook.

Mr. Steinman reviewed the highlights of the credit rating report:

- **Areas that could be improved to remove the negative outlook:**
  - Improvement in capital and enterprise funds, resulting in the elimination of General Fund support and increased liquidity.
  - Increases in General Fund available reserves and liquidity.
  - Stabilization and increase in full valuation.

- **Areas that could further downgrade the City’s rating:**
  - Erosion of the tax base.
  - Decline in General Fund reserves and liquidity.
  - Pressures in the City’s enterprise fund that require future city support for operations or debt service.

- **Another factor was the 16.9% reduction in the City’s tax base in 2012, which forced a tax increase to offset the decline.**

- **Moody’s noted an enterprise risk due to the large operating budget of the hospital enterprise compared to the General Fund.** In 2011, the Hospital fund had revenues of $57.5 million, compared with General Fund revenues of $12.0 million. Even though the City signed an agreement with Essentia to operate the hospital through a twenty-five lease agreement beginning in 2013 and does not expect to support the hospital enterprise fund or lease revenue bonds, the City is exposed to stresses with the medical sector.

- **The Sewer Fund is currently operating with a positive net income, due to the sewer rate increases over a three year period.**

Mr. Steinman stated the credit rating report includes information that will be used in developing the long range financial plan.

Mr. Steinman reported that the City would have saved an additional $10,000 annually, if the bond rating was not downgraded.

Mr. Steinman reported that the GO Taxable Tax Abatement Bonds associated with the Development Agreement for the P & H Project will be considered in March of 2013 and will bear the burden of the downgrade.

Moved by Russo and supported by Sipola to adopt Resolution No. 12201, awarding the sale of General Obligation Government Housing Refunding Bonds, Series 2012B; fixing their form and specifications; directing their execution and delivery; and providing for their payment. Resolution adopted unanimously.
Moved by Sipola and supported by Ralston to request the City Attorney to contact the Attorney General to ask for an opinion on the issues with the City Charter regarding holding a special election to appoint a person to the Mayor position. Motion carried.

Acting Mayor Cuffe reviewed the letter to the Attorney General that asks the following questions regarding the vacant Mayor position.

1. Can the City Council, using the language in Sec. 2.06 of the city Charter appoint an eligible person to fill the unexpired term of the mayor until the November 2014 election?
2. Can the City have a special election under Sec. 5.04 of the City Charter to fill the Mayor’s position prior to the November 2014 regular election?
3. Must the City of Virginia have a special election prior to the November 2014 regular election because, under MSA 412.02, the Mayor’s unexpired term is for more than 2 years, therefore, requiring a special election?

Acting Mayor Cuffe also stated the letter requests that an opinion be submitted within thirty days. City Attorney Butorac stated he will contact the Attorney general’s office immediately to discuss the issue.

Moved by Baribeau and supported by Ralston to approve the content of the letter that was submitted to the Attorney General by City Attorney Butorac. Motion carried.

Councillor Sipola noted that the City Council must appoint an interim Mayor by November 23rd.

Councillor Littlewolf stated a motion was approved at the Finance Committee level to accept applications for the interim Mayor position and suggested that action be taken at this meeting to move forward with advertising.

City Attorney Butorac recommended that a person be temporarily appointed until the opinion is received from the Attorney General and, once the opinion is received, the City Council could move forward with a special election, request applications or appoint a person to fill the vacant Mayor position.
Councillor Littlewolf asked Acting Mayor Cuffe if he would be willing to continue in the Mayor position, on a temporary basis. Acting Mayor Cuffe replied that he did not know it would be possible, without giving up his Council seat. Councillor Ralston stated if the temporary Mayoral appointment expired on December 31, 2012, Acting Mayor Cuffe would not lose his Council seat.

Councillor Sipola stated Councillor Russo could be appointed as the Interim Mayor to provide continuity to the Council and giving up his council seat would be immaterial, as his term expires at the end of 2012.

Discussion was also held on bringing in Councillor-Elect Baranzelli prior to January 1st to fill the vacant Council seat.
